No. 575. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madura, 15th October 1863, No. 899 :—

SIR,

1. I have the honor to report that in communication with the Collector I have allowed the repair of a road leading to the Salt Pans at Vuttanum* to be executed from the amount allotted for repairs, under the head "Salt."

* Madura District.

2. I am not clear that this item of expenditure comes fairly under this allotment head, and therefore I report it trusting that Government will approve.

No. 576. ORDER THEREON, 27th October 1863, No. 3,120.

As the allotment under the head "Salt" provides for repairs to Salt Pans and buildings the course adopted by the Superintending Engineer, 8th Division, was irregular. Captain Moberly will now be requested to report the probable cost of the repairs to the road referred to in the foregoing letter, in order that sanction may be accorded to the amount being met from the allotment under the head mentioned above.
